

GRANDPARENTS' DAY

All grandparents or a “significant other” (Aunt/Uncle, etc...) are invited to this event. A formal invitation will follow.

If your child will be leaving with their grandparents on that day, please indicate below. Grandparents are welcome to attend both days if they have grandchildren in different grades. We would like for the student to only leave on the day that is designated for them; however, if there is a special circumstance, please let the office know. **The same program will be performed each day.**

Child's Name: _____ Grade: _____
