

# Mission

The mission of Faith Christian Academy is to provide the highest quality academic and Biblical world-view training in an environment that encourages spiritual, academic, social, and physical growth. ("Train up a child in the way he should go..." Prov. 22:6a)

Our vision is graduates who love the Lord, defend their faith, and pursue lifelong learning. ("...even when he is old he will not depart from it." Prov. 22:6b)

**PROGRAM**

# Elementary Special Classes

**Music (twice each week):** The music curriculum is designed to train students in the basic skills of music and to have them develop an appreciation for music, which will honor and glorify Jesus Christ. Instrumental music is offered in 5th grade. Students will have the opportunity to perform at two annual concerts and participate in the school's fine arts program.

**Art (one time each week):** Art instruction is based on the understanding that God is the creator and man is made in His image. The students will be introduced to the basic elements of art - line, shape, color, texture, etc.

**Spanish (one time each week):** Students will be introduced to the fundamental elements of the Spanish language. Basic terminology including days of the week, colors, and numbers.

**Physical Education (twice each week):** Students will learn fine and gross motor skills through a variety of drills, games, lead-up activities, warm ups, and modified games. A special emphasis will be placed on the development of lifelong sport skills and an appreciation for fitness related activities.

**Computer & Library (one time each week):** The elementary computer class enables students to become familiar with the computer and develop typing skills. The library and computer lab provide teachers with an extension of their classroom for accessing information and technology.

***All courses are taught from the perspective of a Biblical world-view. All Faith Christian Academy teachers have a personal relationship with Jesus Christ and are in agreement with the school's statement of Faith.***

# Middle & High School Classes Available

## **MIDDLE SCHOOL:**

Middle school students may take core academic courses, including reading, language, math, science, history, and Bible. These courses meet every day. Eighth graders who are prepared can take Algebra I and receive a high school credit. Special classes in the middle school include physical education, computer, art, instrumental music, and choir. These classes meet every other day.

## **HIGH SCHOOL:**

High School students take core academic courses and select from numerous electives including instrumental music, and choir.

Honors and Advanced Placement courses are offered in areas such as chemistry, physics, and calculus.

High school credit is offered based on the number of days each week that a class meets.

## **ATHLETICS:**

Students in grades 6th-12th may participate in interscholastic athletics if they meet the criteria of Faith Christian Academy and the Mason Dixon Christian Conference.
