Dear Families of Faith:

I trust that you have taken some time to pray about whether the Lord is leading you to have your children return to Faith Christian Academy for the 2022-2023 school year. Each year we allow our current families to re-enroll their children and enroll any siblings they may desire to have at Faith before the end of February. On March 1 enrollment in all grades is opened to new families. Depending on the classroom, there may not be very many spots available.

The board of directors of Faith Christian Academy sets tuition and fees each year with consideration given to annual budgetary needs and future plans. Our goal this year is to provide an increase of \$1,500 to the base salary of teachers. As you may imagine even with that increase, a base salary of \$29,500 makes it difficult to attract new teachers to this ministry. With that in mind, tuition has been set at \$6,900 for the first child. This represents an increase of \$25 per month (4.5%). All other fees will remain the same.

**This year the board is also setting aside at least \$35,000 for financial assistance.** If you are in need of assistance, please call the office and ask Mr. Jeff Baker, business manager, for an application.

Enclosed with this letter is a re-enrollment form for your children and a tuition and fee schedule for next year. **Please read the instructions on the form carefully and update FACTS so that we have accurate information for your family!!! You also have the option this year of checking the box on the form for "Incidental Billing" through Facts or sending us a paper check. Please plan to use the same form of payments for reenrollment of existing children and any new enrollment of siblings. Remember that on March 1 the re-enrollment fee increases to \$100.**

Thank you for trusting Faith Christian Academy with the education of your children. If you have any questions or concerns, please do not hesitate to call or e-mail us.

In Christ's Service,
