Dear Families of Faith:

It is incredible to think that we have reached the “2020’s”! Each year we allow our current families to re-enroll their children and enroll any siblings they may desire to have at Faith during the month of February. On March 1 enrollment in all grades is opened to new families. As of right now, every classroom from pre-kindergarten through 8<sup>th</sup> grade except one is either full or one student away from being full! The urgency of re-enrollment during the early re-enrollment period cannot be overstated.

The Lord has truly blessed Faith Christian Academy! Since October 2018, we have been able to pay almost \$140,000 in “additional” principal payments on our mortgage bringing our current balance under \$830,000. Our goal is to pay this off no later than 2023! Praise the Lord for His grace and your generosity!

The board of directors sets tuition and fees each year with the primary goal of funding our school improvement priorities. One of our primary goals is to increase the **faculty base salary** to \$28,000 over a three year period. This year we will be able to provide a \$1,000 increase to the base bringing the base salary to \$25,500. We are also purchasing **more curricular materials** so that students can keep consumable books in their possession and write in them. Many other improvements to the **facility** itself and the **student use of technology** will also be made. With these improvements in mind, tuition has been set at \$6,480 for the first child. This represents an increase of just less than \$25 per month. The before and after care fee was also raised .50 per half hour to \$2.50 per half hour or any portion thereof. All other fees will remain the same.

**This year the board is also setting aside \$34,000 for financial assistance.** If you are in need of assistance, please call the office and ask Mr. Jeff Baker, business manager, for an application.

Enclosed with this letter is a re-enrollment form for your children and a tuition and fee schedule for next year. **Please read the instructions on the form carefully and update Renweb so that we have accurate information for your family!!! Then return a check for \$75 for each child that you would like to re-enroll or sibling that you want to enroll (March 1 the re-enrollment fee increases to \$100).**

Thank you for trusting Faith Christian Academy with the education of your children. If you have any questions or concerns, please do not hesitate to call or e-mail us.

In Christ’s Service,

Eric L. Kerns
