

Hope Scholarship Information

Dear Prospective Families: In 2021 the West Virginia Legislature passed legislation creating the Hope Scholarship, which gives qualified West Virginia families financial support for true educational choice. Faith Christian Academy of Martinsburg, West Virginia is an Education Service Provider for scholarship funds.

Qualified West Virginia families can apply for the Hope Scholarship between March 1 and May 15 of each year. We are including resources here for your review and assistance in making that decision.

Please know that Faith Christian Academy has an [admissions procedure](#) described here on our website that is followed for all applicants regardless of the scholarship eligibility. The information below is directly from the [Hope Scholarship Website](#), provided by the office of Mr. Riley Moore, State Treasurer:
