RE: ACSI ACCREDITED THROUGH JUNE 30, 2021, GRADES EE-12

Dear Mr. Kerns,

I want to congratulate you and Faith Christian Academy for successfully meeting the standards for ACSI Accreditation. The Regional Accreditation Commission voted unanimously to approve the recommendation of the Visiting Team for a full five-year term with no interim visit required. Please share this good news with all the stakeholders that worked so hard to achieve this status. **Your new term of accreditation will begin immediately and go through June 30, 2021.**

Your accomplishment is being communicated to ACSI headquarters and they will be sending a certificate directly to your school. Display this certificate with honor! Please pass on our congratulations to the leadership team, school board, school staff, parents and students. Each group contributed to the success of this process. Share the *Major Commendations* identified by the Visiting Team as these are demonstrated strengths of the school. Also, take the necessary steps to include the *Major Recommendations* in your Continuous School Improvement Plan. The highest priority for inclusion should go to the *Major Recommendations* stipulated in the Visiting Team Report.

As an ACSI accredited school, you will be required to complete an *Annual Report* each spring in which you will address your progress from the *Major Recommendations*, staff certification, finances and other pertinent areas of the school program. You will NOT be required to complete an *Annual Report* this school year since you just went through a team visit.

In the second year of your term you will be required to submit to AdvancED a *Mid-Term Progress Report* in which you will address your progress from the *Major Commendations* and *Major Recommendations*.

The same recommendation for your term of accreditation and status will be passed on to AdvancED for their approval at their June Board Meeting. This is a formality. Once I receive the decision of its board, I will expedite this decision to you.

Sincerely in Christ,

Bobbie Kelly
